

## Information about ehsportal.com

Over the past several years, a new web-based service has been developed for business owners and managers, property and home owners, and other consumer groups interested in access to expedited, low-cost solutions to a host of financial problems which are known to be very cost-prohibitive when handled through traditional channels.

Typical financial problems which are affecting more and more people due to the current economic circumstances include:

- Lost revenues and income (business or personal)
- Depleted savings and reserves (for retirement and emergency needs)
- Tightening and reduced credit (with increased costs and expenses)
- Financial emergencies (pending foreclosure, collection actions, bankruptcy, etc.)

If **money is on your mind**, please take a moment to visit ehsportal.com. You'll get some real answers and find some low-cost solutions to many of the financial pressures and problems that you might be concerned about.

The essence of ehsportal.com is to promote affordable and expedited financial solutions to problems which can escalate out of control very quickly in the current economy:

- Generate more income and business revenues
- Eliminate liabilities and mitigate damages
- Deal with creditors, collection actions, foreclosures, pending bankruptcies, and more
- Protect your money, income, and property from unnecessary loss

### **Results?**

In the past year, tens of thousands of dollars of PAID referral business has been generated, millions of dollars of foreclosures have been stopped, and hundreds of "financial brush fires" have been put out.

You can do it yourself, let us help you, or let us refer you to the right party. It's your choice and you're in control. It's a proactive approach and you pay for only the help you really want or need - on an expedited and discounted basis.
